نشيد المعهد

يا سائلي عن معهدي هاك المناقب عدي
هاك الجواب قصيدة يديكها قلبي التدي
قد صغتها ممزوجة بالحب يعشق للصدي
أحلى نشيد رددته لهة أكبر منشد

قد أفسوه على التقى والبر ليس على الدد
أرقى المعاهد كلها تاريخها من عسجد
ببلال سمي إته فينا مثال السؤدد
رفع الجبين وما ارتضى ذلاً لغير موحد
"أحد أحد" ولى زمان للظالم المتبلد

والله أكبر رغم أف مذم إذ يعتدي
ورجالنا ما مثلهم في العالمين من أمجد
والشيخ مولانا فكم أجرى علينا من يد
من كل صالحة وما بخلت يداه بمتلد
فجزاه الله عن أوغندا كل خير سرمدي

رددوا الله أكبر فوق كيد المعتدي
رباه إنا لن نخذ عن الطريق فسدد
واجعل إلهي جيلنا للحق دوماً يهتدي
ليردد التاريخ آنا الوارثون لأحمد

Chairman Board of Governors

In the name of Allah, the Most Gracious, the Most Merciful. May peace and blessings be upon the Prophet Muhammad (S.A.W) and all his followers until the Day of Judgment.

Assalaam Alaikum wa Rahmatullahi wa Barakaatuhu.

It is with great joy that I welcome you all to the 54th graduation ceremony of our noble institution. This is not just a celebration—it is the commissioning of a new generation of Muslim clerics who have been thoroughly trained in Islamic knowledge and values.

I warmly congratulate all the stakeholders on the successful graduation of our Sheikhs and Sheikhsats. They have been nurtured by tutors of high integrity, and I have full confidence that they will serve with honor and dignity.

Special appreciation goes to our dedicated staff, led by the Principal, for creating a nurturing and supportive environment for our students. Your tireless efforts have made Bilal Kakiri a trusted institution for those aspiring to serve the Ummah.

To our dear graduands, This milestone is only the beginning of your journey. Never stop learning. Hold firmly to the values and principles you have gained here. Focus on Da'wah in a respectful and peaceful manner. As you step into your roles, show tolerance to people of other faiths—just as

the Prophet (S.A.W) coexisted peacefully with others in Madinah.

To the parents and guardians, Thank you for the immense support you have given your children and this institution. Your sacrifices and encouragement have made this day possible. We are strong because of your unwavering support.

To the wider Muslim community, I urge you to participate peacefully in the upcoming general elections. Avoid all forms of violence—this is not the end of the world. Islam stands for peace. Let us be examples of patience and unity throughout the process.

I also want to sincerely appreciate our senior leaders—His Eminence Sheikh Hussein Rajab Kakooza, Sheikh Musa Ssebbumba, Sheikh Yusuf Isa Byekwaso, Sheikh Mugomba Ismail, and many others—for their tireless efforts in building and strengthening this institution. May Allah reward you all abundantly.

Finally, I thank our esteemed guests for joining us in today's celebration. May Allah protect you, and may we meet again at the 55th graduation, in good health and faith.

**Yours in service,
Sheikh Abdu Obeid

Chairman Board of Trustees

In the name of Allah, the Most Gracious, the Most Merciful.

All praise is due to Allah, the Creator and Sustainer of the universe. May peace and blessings be upon the Prophet Muhammad (S.A.W), his family, and all his followers until the Day of Judgment.

Distinguished guests, parents, and beloved graduands,

Assalaam Alaikum wa Rahmatullahi wa Barakaatuhu.

It is a great honour and joy for me to address you on this special occasion as we celebrate the graduation of a new generation of Sheikhs. Becoming a Sheikh is a noble calling, and not many reach this stage—**congratulations** on your dedication and success!

Dear graduands,

Your journey has been one of hard work, sacrifice, and patience. I commend you for your achievements. I trust that you are now equipped with the knowledge and values needed to serve your communities and uphold justice in all its forms—social, political, and economic.

As you begin your service, I urge you to remain steadfast, honest, trustworthy, and God-fearing. Be ambassadors of unity in the Muslim community. Avoid disputes caused by differing opinions. Islam encourages intellectual diversity through *Ra'y* (personal reasoning), so let us respect differing views and focus on what brings us together, not what divides us.

Value and respect your tutors—they are the foundation of your academic journey. When you earn their trust, you earn the community's trust as well. Seek their guidance whenever you face challenges.

To our Mosque Imaams,

Please mentor and guide these young Sheikhs. Give them opportunities to practice and grow, but allow them time to gain experience before taking on leadership roles. Let them rise through the ranks with wisdom and humility.

To the parents,

Thank you for believing in your children and supporting them to pursue Islamic education. You have given them a gift that will benefit both this world and the hereafter.

In conclusion, I warmly congratulate all the graduands and thank every stakeholder who made this achievement possible. I call upon the community to welcome and

support these young Sheikhs. Though knowledgeable, they are still learning and need our continued guidance.

Yours in service,

**Sheikh Hussein Rajah
Kakooza**

Beware of the paradox of social media; much as it has helped to spread Dawah across the globe, it is also a platform for misinformation which could be detrimental to your faith and career.

Praise is due to Allah the Most Sublime. May His peace and blessings be upon the final Messenger, Muhammad (S.A.W), his family and all those that will follow his footsteps until the day of Judgment. Dear our esteemed readers, Asalaam Alaikum Rahmatullah Wabarakatuh.

When the institute relocated to this land in 1994, 17 miles from the city centre, it was a tough experience. Many of our staff who used to teach in the city centre found it hard to adjust. We also lost most of our students; the institute was left depleted with less than 200 students. At that time, Kokiri was a remote rural village. Many thought our future was no more. I vividly recall that we graduated only 12 Thanawi students that year –and none were female.

Fast forward to today- what a momentous 54th Hafla (graduation) we are celebrating! This edition marks a significant milestone in the history of this institution as we parade

194 graduands for crowning and what makes it more special are the **68 female** clergy graduating. This is a remarkable achievement since the jinx that had hitherto kept their number at bay has been broken. For many years theology was wrongly considered a male domain due to the limited involvement of women in public roles. I applaud the parents for the vision of educating a girl child theology. Women being the firm foundation upon which our families are built, it illuminates the future for the community. I therefore wish to congratulate you all upon this landmark!

I wish to applaud our graduands for dedicating themselves in the pursuit of Islamic knowledge and spiritual growth from this esteemed institution. For sure their time here has been marked by discovery, growth and transformation. With the depth in knowledge acquired, they are ready to transform the society whose values have immensely deteriorated. They now form a new, vibrant force to uphold the mission of Islam without compromising its credibility.

Dear Graduands, your hard work, perseverance, and commitment to excellence has paid off, we have given you the key to make a positive impact on your communities. Do not wait for tomorrow, start now. Remember, you are the few who have made it! When you joined us in senior one, you were over 400. Today, only 194 have made it to the hallah square to complete the journey. You have been truly amazing, congratulations. May you shine in your new roles of clergy ship.

As you take over the clerical work, you ought to understand the dynamics of the society. Do not go extreme but take the prophet's approach of dissemination of Islam. The knowledge you have acquired will only make you beacons of hope if you apply it with the guidance of Dawah methods taught in your course unit. *Beware of the paradox of social media; much as it has helped*

to spread Dawah across the globe, it is also a platform for misinformation which could be detrimental to your faith and career. I urge you to verify information before it contaminates the precious knowledge we have taught you. Do not deviate from the true teachings for the sake of cheap popularity. Stay firm in what we have taught you.

Dear sons and daughters, demonstrate compassion, justice and generosity during the execution of your duties. Your actions shall touch the hearts of your followers more than your hands. I appeal to you to continuously update your knowledge on contemporary issues through reading widely, listening and learning from respected scholars. This will make you more knowledgeable, maverick and pragmatic. Serve with sincerity, humility and integrity, collaborate with other religious leaders, community and opinion leaders in building a better society.

Dear Graduands, challenges will come as they do to all of us. In fact they are part of life. When at crossroads, turn to the holy Quran and the Hadith it is the ultimate solution. And in any case, you are now our treasured alumni do not hesitate to contact us, the door is always open for you.

Development: ladies and gentlemen, we are proud to have completed the twin buildings with 24 class rooms, to give our learners a spacious learning environment. Thanks to the generous support of the esteemed parents and some Philanthropists.

In the same spirit we launched the construction of staff quarters to improve on the welfare of our staff, the drive is still going on. This project was launched by Hajji Abdu

Tenywa during last year's hallah. We invite all well wishers and charitable organizations to support this noble cause- its reward with Allah is immense.

Academics: Dear distinguished readers, I wish to bring it to your attention that our performance in both secular and theology remains outstanding. We are among the top institutions in the country and we are committed to even greater excellence.

Co-curricular activities: much as we

focus on academics, we also believe in holistic education by developing talents and skills of our learners. We promote public speaking in English and Arabic, train learners the art of preaching, we encourage participation in sports. Our learners have won trophies and individual accolades. We are committed to continue nurturing these talents.

I wish to express my deepest gratitude to the staff for the dedication, professionalism and passion to serve. You have been instrumental in defining the

academic journey of this year's Graduands. You are the backbone of this institution and I am proud to be *your Team leader*.

To the Board of Governors and Trustees under the effective and wise stewardship of the 2 iconic sheikhs, *His Eminence Abdu Obeid Kamulegeya* and *His Eminence Hussein Rajab Kakooza*, thank you for your wisdom and leadership. You have guided this institution with vision and care. You have made Bilal Islamic Institute the best theology institution *south of the Sahara and North of the Limpopo*. We also remember to pray for the founders- sheikh Maulana Abdul Razaq Matovu and Al- Hajji Musa

Kasule (may Allah be pleased with them).

To our parents and Guardians, you have been the solid rock foundation to this success. You really deserve a million thanks! We are grateful that you trusted us with your children. Today we present them to you as graduates ready to serve the Ummah.

A special thank to all who stood with us when one of our dormitories was burnt to cinders. Your solidarity made us strong to sail through the storms. The Dormitory has since been rebuilt, and security strengthened. We have installed CCTV cameras throughout the

Boys' and girls' Dormitories and other areas of the institute.

In synopsis, I congratulate the entire Muslim community and the nation upon this incredible group of graduands. I am optimistic that their service shall have a positive impact on our society.

Thank you very much, and may Allah the Omnipotent bless you all.

كلمة مدير المعهد في حفلة ٢٠٢٥ م.

الحمد لله رب العالمين. والصلاة والسلام على خاتم المرسلين محمد بن عبد الله وعلى آله وأصحابه وه بإحسان إلى يوم الدين.

عزيز القارئ: السلام عليكم ورحمة الله وبركاته.

لما انتقل معهد بلال الإسلامي من قلب العاصمة كمبالا إلى هذه البقعة في العام ١٩٩٤ م أثر الوضع المدرسين والطلبة وتدنى عدد طلبة المعهد إلى أقل من مائتين طالب، وتوقع بعض الناس ألا يكون لنا مستقبل بهيج حيث تخرج اثنا عشر طالبا بلا طالبة.

يحتفل المعهد اليوم الدفعة (٥٤) بتخريج (١٩٤) طالب وطالبة على المستوى الثانوي من بينهم (٦٨) وهذا إنجاز ملموس من تاريخ المعهد حيث كانت الدراسة الدينية قاصرة على البنين فحسب وكان م فتعليم البنات الدين تحتل مركزاً أساسياً في بناء المجتمع الصالح و تطويره.

فهنيئاً للخرجين على بلوغ هذا المستوى ونقدر بذلهم الجهد في تعلم العلوم الشرعية الذي يبني عليه المجتمع و تطوره.

فقد كان عدد التحاقهم بالمعهد أكثر من (٤٠٠) فحالت الظروف على بعض زملائهم . على صعيد آخر ،

يجب على الخرجين اغتنام الفرصة المتاحة من الزاد الموجود بتطبيق المعلومات على أسرهم التي يذ بالدعوة ولا ينتظروا غداً.

وتذكروا أيها الخرجون أن أحوال المجتمع متقلبة، والعالم متغير ومتطور فالتزموا طرق الدعوة التي وطبقوا وسائل دعوة الرسول ﷺ والتزموا الصدق والأمانة أينما كنتم يؤثر ذلك في قلوب أتباعكم، طلب العلم وأكثروا من الاستماع والقراءة واحترموا العلماء مما يفتح لكم أبواب العلم وخدمته بالث وأحسنوا المعاملة مع الأئمة والرؤساء تنجحوا في مجتمعتكم.

أيها الأبناء أمامكم التحديات لابد من مواجهتها، وهو جزء في الحياة فتمسكوا بالقرآن الكريم والسنة ففهما العلاج الشافي لجميع التحديات مع الاتصال المباشر بالمعهد فأبوابه مفتوح لكم في كل حين.

عزيز القارئ: يسرنا ابلاغكم أننا أتممنا بناء مُجمّع الفصول جديدين يضم (٢٤) قاعة دراسية لسدّ الطلبة إلى الدراسة في الجو المناسب وكذلك بدأنا تأسيس بيوت المدرسين تطويراً من مستواهم وتد للمشروع الذي بدأه الحاج/عبد تينوا في حفلة العام الماض.

Praise be to Allah, the Most Exalted. May His peace and blessings be upon the Seal of the Prophets, Muhammad (S.A.W), and upon all those who follow his noble path.

To our esteemed Guests, Dear Parents, Our Board members, Our staff, Beloved Alumni, and the entire Muslim Ummah, **AssalaamuAlaikum Warahmatullahi Wabarakaatuhu.**

What a momentous occasion this is! Today, we gather to celebrate a remarkable milestone — the graduation of our sons and daughters. This is not just a ceremony; it is a profound expression of the trust you placed in us as a school, and the commitment we made to shape these young men and women into God-fearing, responsible, and visionary citizens.

We are proud to present to you graduates who have not only excelled academically but have also been nurtured in Islamic values and equipped with the essential 21st-century skills of **communication, creativity, collaboration, and critical thinking**. These are tools that will empower them to become agents of positive change and builders of a more just and compassionate society.

Reaching this day has been no small feat. It has taken hard work, discipline, and unwavering dedication. I have personally witnessed the remarkable transformation of these students from the day they walked through our gates to this proud moment. Their journey has been filled with Islamic **spiritual awakening, intellectual growth, and self-discovery**. They have studied across diverse fields of knowledge that will guide them as they step into a world in need of ethical leadership and service.

Dear Graduates, let today serve as both a celebration and a call to action. This certificate is not the end — it is merely a key that unlocks the door to lifelong learning. Continue to seek knowledge, for the more you learn, the deeper your appreciation will grow for Allah, the Creator, His creation, and your role in it.

Carry with you the **Islamic morals and values** that have been instilled in you. Let them shape your character and define your every action. Your personal conduct will become a reflection of this institution — **your alma mater**. When you uphold the principles we have taught you, **Bilal will continue to stand tall** as a beacon of excellence and integrity.

To our **dedicated teachers**, accept our deepest gratitude. Your commitment, wisdom, and compassion have left an indelible mark on these young lives. You have not only educated, but mentored and nurtured them like your own. Without your selfless

efforts with Allah's mercy, today's celebration would not have been possible.

To our **dear parents**, thank you for entrusting us with your children's education and moral upbringing. Your support has been the bedrock of our success. We are truly humbled by your faith in us, and we assure you — your sacrifice will bear fruits in this life and the Hereafter, In Shaa Allah.

In conclusion, I extend my heartfelt congratulations once again — to the graduates, to the parents, to the teachers, to the Muslim community, and to the nation at large.

كلمة نائب مدير التعليم في حفلة تخرج الدفعة (٥٤)

الحمد لله المنعم القهار والصلاة والسلام على خير من قال : " والله لو وضعوا الشمس في يميني والقمر في يساري على أن أترك هذا الأمر حتى يظهره الله أو أهلك دونه ما تركته " فمن خلال مسيرته لتحقيق أهدافه المنشودة

قد تمكن معهد بلال الإسلامي من تخرج دفعات متتاليات من طلابه وطالباته على المستوى الثانوي على مر عقود من الزمن .

واليوم إذ نحتفل بتخرج الدفعة الرابعة والخمسين في تاريخ هذا المعهد الميمون لنتمنى لكم أمتع الأوقات وأحلاها .

وببالغ البهجة والسرور ، فإننا نهئ الخريجين والخريجات الذين بذلوا الغالي والتمين في تحقيق الغرض الأسى الذي من أجله أقدموا للمعهد .

علمناهم كيف الواحد منهم يحترم نفسه ، وكيف لا يفعل الخطأ ولو غاب عنهم الرقيب ، ولا يغش في الإمتحان ولو تركه المعلم وحده مع كتبه ، وكيف يعطف على الضعفاء ويبذل لهم ما استطاع من مساعدة .

فإننا على علم اليقين بأن هؤلاء الطلبة عكفوا على دروسهم بكل جد ولم يعرفوا غير كتبهم ومعهدهم وطريقهم من البيت إلى المعهد حتى نالوا الدرجة العلمية ، فاليوم يعودون إلى أماكن إقامتهم يحملون شهادتهم وقد نمت عقولهم وزاد علمهم فهم قد

فهموا رسالتهم ، فهموا أنهم سافروا من أماكن إقامتهم النائية ليدرسوا علما وأخلاقا ، فهم يرون في كل منظر درسا ، وفي كل خطوة ريعا ونفعا .

نصيحتنا إليكم أيها الخريجين والخريجات : إن أكثر من كانوا قبلكم قد فسدوا لأنهم تعلموا لأخذ شهادة ، فليكن الغرض الأسى من طلبكم لهذا العلم الإصلاح والنفع ، والله يوفقكم .

وفي جانب آخر ، فأحثكم دائما على اغتنام أوقات فراغكم ، اجعل شعارك دائما أن تسأل نفسك : ماذا عملت في وقت فراغك ؟ هل كسبت صحة أو مالا أو علما ؟ فكانت لك غاية محدودة صرفت فيها وقتك ، إن كان كذلك فقد نجحت ، وإلا فحاول حتى تنجح ، فقليل من الزمن يخصص كل يوم لشيء معين قد يغير مجرى الحياة ويجعلها أفضل مما تظن وتتخيل .

Embracing the competency-based curriculum.

As the academic's office, I am thrilled to share with you that as the institution we embarked on the new era of embracing the competency-based curriculum. Competency based curriculum, transformative approach to learning that prioritizes the development of skills, knowledge and attitudes.

The CBC is designed to equip learners with competencies required to thrive in the 21st century. By focusing on critical thinking, problem solving, collaboration, and creativity. It aims at producing learners who are well prepared to tackle challenges of the modern world and able to compete in the global market. The curriculum's structure around specific learning outcomes ensures that our learners are well rounded and industry ready.

It focuses on what a learner can do thus creating flexibility in learning pathways enabling learners to explore their interests and talents.

Learners under the competency-based curriculum can communicate, critically think, collaborate well with others and can easily fit in different life situations.

The students under the competency-based curriculum, are subjects under the school-based assessment, this includes project work, activities of integration and subject achievement. I wish to extend my appreciation to the parents who supported us during the registration of Senior three students that enabled us to submit their continuous assessment results. Please continue to support these learners throughout their academic programs. Together we can guide and help these learners to achieve their future goals and objectives.

Finally, I thank the entire staff for Bilal for the continued support towards learners' academic progress.

المرأة المسلمة العاملة

المرأة المسلمة العاملة هي التي تعمل خارج بيتها. والأصل أن تخدم المرأة بيتها ولا تخرج خاصة إذا لم يكن هناك حاجة لخروجها. والعالم يتغير يوما بعد الآخر بزيادة عدد النساء العاملات في جميع المجالات نظرا لمتطلبات الحياة والبيئة، فقد لا تحتاج المرأة إلى الخروج، ولكن الجو المحيط بها يجبرها على الخروج، داعية، أو طالبة علم، أو مدرّسة، أو ممرضة أو غير ذلك. ولذلك لم يحرم الإسلام عمل المرأة مطلقا، بل قيده بقيود وضوابط شرعية لمصلحتها والمجتمع. ومن تلك الضوابط: أن تحصل المرأة على إذن زوجها قبل التحاقها بالعمل، وألا يشغلها عملها عن أداء واجباتها الأسرية لأنه الواجب الأساسي عليها، وأن يكون ذلك العمل بعيدا عن مواقع الفتن مع مراعاة قواعد اللباس الشرعي. ولا شك أن عمل المرأة يمنحها فرصة اكتساب خبرات جديدة، ويعينها على تحقيق الاستقرار المالي، ويساهم في بناء المجتمع والاقتصاد. فبما أننا نطمح في الخروج للعمل، علينا أن نتقي الله، ونعلم أنه يراكمنا دوما، ولنتذكر أن الاعتناء بالبيوت هو واجبنا الأساسي، فلنحاول قدر الإمكان الموازنة بين أشغالنا وبيوتنا حتى لا تهدم تلك البيوت، وينحرف أبنائنا ويتدنّى المستوى الخلقي في الجيل الحاضر. بقلم الشیخة زینب نکابوغو

ما يميز الإنسان عن غيره من الكائنات؛ وذلك أمرات الشريعة يحفظ العقل من كل ما من شأنه إحداث خلل في وظائفه اختيارا فأمرت بالتعلم، والتفكير والتدبر وحرمت تعطيل العقل بالمسكرات أو المخدرات ونحوها.

رابعاً: حفظ النسل (العرض): خلق الله الإنسان للعبادة وعمارة الكون وهذا يقتضي بالضرورة الحفاظ على بقاء الإنسان بقاء شرعياً إلى ما شاء الله؛ فحثت الشريعة على التناسل بالطريق الشرعي وهو الزواج، ورغبت في تيسير المهور وحرمت الزنا ومقدماته؛ صيانة للانساب من الاختلاط ومنعت العدوان على الأعراض قولاً أو فعلاً ونهت عن انتهاك الخصوصية بكل صورها.

خامساً: حفظ المال: المال هو عصب الحياة ويقصد بالمال هنا الملك عامة، ويشمل الممتلكات العامة والخاصة، والملكية الفكرية، وفي سبيل حفظ المال حثت الشريعة الإسلامية على كسب المال وتحصيله واستثماره بالطرق المشروعة وحرمت الربا والسرقة والتبذير والإسراف وأكل أموال الناس بالباطل وكل صور التعدي على الملك بمعناه العام.

فهذه المقاصد الخمس هي قوام النظام العام في الإسلام، بل هي من الآداب العامة المتفق عليها في مختلف الأديان السماوية التي أتت من عند الله.

خلق الله الإنسان في أحسن تقويم، ثم جعله خليفة في الأرض واستعمره فيها وسخر له مافي السموات ومافي الأرض، ووضع له دستوراً ينظم حياته ويحدد شكل علاقته مع ربه ومع أمثاله من بني آدم، وذلك عن طريق إرسال الرسل والكتب السماوية.

ومقاصد الشريعة في اصطلاح العلماء هي الغايات والأهداف والمعاني التي أتت بها الشريعة الإسلامية وأثبتتها في الأحكام وسعت إلى تحقيقها في كل زمان ومكان. والشريعة الإسلامية معللة بحكم ومصالح مقصودة؛ لأنها جاءت لإخراج الناس من الظلمات إلى النور وتحقيق عبادة الله الواحد الأحد الفرد الصمد، وإصلاح معاشهم ومعادهم وإسعادهم في الدنيا والآخرة، هناك خمس مصالح جاءت بها الشريعة ألا وهي:

أولاً: حفظ الدين: وهو من أهم المصالح الخمس التي تمثل المقاصد الكلية للشريعة الإسلامية، ويعني تثبيت أركان الدين كالتقوى بالشهادتين، والصلاة، والصيام، والزكاة، والحج، وما يشبه ذلك، والدفاع عن الدين بكل ما أوتينا من قوة والتصدي بكل حزم لمن يفسد عقيدة وشريعة المسلمين.

ثانياً: حفظ النفس: كرم الله تعالى النفس البشرية عموماً وأمر بحفظ الأرواح؛ ومن أجل ذلك حرمت الشريعة الاعتداء على الإنسان أو إيذاؤه أو انتهاك حرمة بأي صورة من الصور، ونهت عن قتل النفس بالانتحار وحثت على الوقاية من الأمراض والأوبئة وأمرت بالتداوي.

يجعل سماته الصبر والنبلة وحب العطاء
فأهل العلم بعلمهم وفكرهم هم ورثة الأنبياء.
ميراثهم خلق وبحث وفقه وذكاء.
وما أجمل قول الأديب إذ قال:
ربوا بنيكم، علموهم، هذبوا فتياتكم فالعلم خير قوام.
العلم مال المعدمين
إذا هم خرجوا إلى الدنيا بغير حطام
وأخ الجُهالة في الحياة
كأنه ساعي إلى حرب بغير حسام
فالجهل يُخفِّض أمة ويذلها
والعلم يرفعها أجل مقام

HUMANS, SAVE MY ENVIRONMENT

They are readers of the prime magazine and fellow citizens, today I want to talk about a crucial issue that affects us all the environment, our environment is a foundation of our existence, providing us with air, water, food, shelter, however human activities have put immense Pressure on environment, threatening its very survival.

As individuals, we often we often forget that our fairly actions have significant impact on environment. Will Lita, we waste, we pollute, we destroy natural habitats without realizing the consequences. But it's time for us to face responsibility for our actions.

In video actions alone Are not enough, we need collective actions, community engagement, government support to address environment issues.

We must work together to create a culture of sustainability where Environmental Protection is a shared responsibility. Why? A great environmentalist Mahatma Ghandi once said "The earth has enough resources for our needs but not enough for our greed. "Let us be mindful of our consume patterns and strive to live in harmony with nature.

In conclusion, taking care of environment is not just an A moral obligation, it's a survival M im-perative. Let's organize our responsibility towards the environment and take collection action to protect it.

Remember my environment is my responsibility and yours is yours together we can make a difference.

The society demotivating and discouraging us has had a cumbersome effect on our lives. Fellow students, are u wondering how we can make it'll have gone the answer; Let's put pride aside, all the desires we have and accept who we are but mostly, believe in yourself because no one will, unless you do, "No one is a failure, neither will you be. TRUST

"Trust" What Can I say! A key in all relationships that builds all that's needed. Trust is that all that's needed in any sort of so Minnesota relationships be it friends, best friends, classmates and coworkers

Trust is when you believe in someone and have undivided faith in them. It's built on love, care and patience and the three cannot live without the other. Trust creates a strong bond between the alternating hearts. Trust creates and builds a lot the friendship and care. Trusting someone is nothing, being trusted is something but being trusted by the one you trust is everything that everyone should be experiencing.

It's true trust is built and can be broken the worst part of it all is the opposite.

Mistrust spoils and tarnishes everything where it lives doom knocks. It's the end of happiness. It's the way of chaos. It blocks all the way to the light and leaves darkness wherever it is spotted.

About trust, everyone has experienced and knows who they should and shouldn't trust. Being heard is a gift but being listened to is another meaning for relief.

THE POWER OF RESPECT

Respect is a fundamental value that shapes our interaction with others. It's about treating others with kindness, consideration and dignity. When we show respect, we create a positive environment where people feel value and appreciated.

Respect is essential in all aspects of life, from personal relationships to professional settings. It helps build trust, fosters empathy and promotes understanding. When we respect others, we're more likely to receive respect in return.

Respect is a powerful value that can transform our lives and the lives of these around us. By showing respect, we can create a more harmonious and supportive environment. Let's strive to prioritize respect in all our interactions and make a positive impact on the world

ALLAH'S PLAN

In life, Allah prepares whatever we will receive as in wealth and what we will meet in life, that is to say; the families we will live with, the friends we will associate with and the status we will live in and among others.

However, we are able to term this as fate, designed by the lord of the universe. We can never wake up one morning and begin blaming whatever Allah has predicted for us, in otherwards we should be thankful and appreciate whatever Allah has prepared for us. As it was mentioned in the noble Quran by A "The remembered me (Allah), I will remember you and thank me (Allah) and you won't di8believe".

INNOCENT

It is just a cry when a new life is put on earth,

Innocent and pure kind soul so hard to resist,

By the smile all the hopes are raised,

Sacrifices will be made for the new life.

The future is portrayed and plans are made,

Luxurious they would live and optimistic they always WILL,

When the first stage is done, it's just the beginning,

Of the journey, gowns will be WORN. For the magnificent success they had made,

Celebrations will be done,
Two congratulate the winners,
Gifts will wrapped will be wrapped and RECEIVED,
To make them ambitious.

Teenagers: The critical years of 13-19 in high school

In the teenage stage, basing on high school lifestyle, parents send their teenagers to school hoping for a qualified and standard education in both fields, secular and theology in order to achieve both in this world and in the hereafter.

However, through most parents put as much effort as they can, there are teenagers who act pessimistic towards their parents when they are sent to school, and never remember the main objective as to why they are at school, forgetting their family backgrounds, but instead influenced by peer pressure

leading to disgraceful behavior hence leading to suspensions and expulsions or even school dropouts.

In spite of the fact that teenagers misbehave, Allah mentioned in the noble Qur'an (17:23).

"And Allah justified and ordered, the verily worship not anything expect him, and with the parents well treated, if one or both of them reaches old age, do not say ill to them, and to not undermine them; but say to them sweet soft talks"

Message from the Head Girl 2025/2026

Praise be to Allah, OMNIPOTENT, OMNISCIENT, and may peace his blessings be to his noble prophet Muhammad peace be upon him.

Being human self-conduct and how we conduct others matters, as life is 10 percent what happens to your ad 90 percent how you react to it. It does not give you everything and for that it gives you a way of self-conduct and how to interact as well as know what can and will be who can and can they can be. First of all, you should know is that explaining your self should be out if the picture you're painting because even when you do, they still will not understand. So, you got to know who and when to actually explain.

Some people are like ads so just skip them and do what is expected of you considering the environment you're in a proper example of school. Learn to live with yourself or anyone of great value to your existence and aspirations in a life time. Because the best way to find yourself is to lose yourself in the service of others, know that you choose who you want to be and do what brings out the best version of yourself.

Valuing what you want to have in future and what you're really striving for; you would know that you do not need to be afraid of losing anything to get something better and that nothing in the world belongs to you. Work for the better, be the better and promote the better for a positive change in you and others.

Mental Health

Navigating Life After S.6 Thanawi

A Mental Health Guide for Young Graduates

By Mental Health Club BIIK

MUJUZI MAHAD YUSUF
CHAIRMAN MENTAL CLUB

Embracing the Transition

The period after graduation is a major life shift. With the daily routine of school gone, many students find themselves questioning their identity or purpose. It's easy to feel like you need to figure everything out immediately—but you don't. Allow yourself to take a breath and accept that this period of uncertainty is not only normal, but also full of opportunity.

Turning Uncertainty into Opportunity

Rather than viewing uncertainty as a problem, see it as a chance to explore. Consider:

- Volunteering – Gives you experience and exposes you to new environments.
- Internships or part-time work
- Helps build confidence and professional skills.
- Short courses
- Enhances your resume and may uncover hidden passions.

Use this time to learn more about yourself—your values, your interests, and your strengths.

Mental Health Tips for Graduates

Maintaining mental health during this phase is essential. Here are five simple, effective strategies:

1. Stay Connected

Keep close to your support system—family, friends, mentors. Sharing your struggles and wins can lighten the emotional load.

2. Build a Routine

Having a daily structure creates a sense of stability. Schedule time for job searching, hobbies, physical activity, and rest.

3. Practice Mindfulness

Activities like meditation, journaling, or yoga help calm the mind and reduce anxiety.

4. Seek Professional Help When Needed

If you're feeling persistently overwhelmed, it's okay to reach out to a counselor or therapist. Mental health is just as important as physical health.

5. Set Realistic Goals

Break big dreams into small, achievable steps. Each one is progress.

Developing Resilience

Resilience is the skill of bouncing back from setbacks. Reflect on moments in your past where you overcame difficulties—what helped you through? Writing your thoughts in a journal can help you track growth, recognize strengths, and build emotional endurance.

Final Thoughts

Life after S.6 Thanawi is both exciting and intimidating—but you're not alone. By acknowledging your feelings, staying connected, and actively caring for your mental well-being, you can navigate this new chapter with clarity and confidence.

Remember: it's okay to take your time. Your path is uniquely yours. Every step, even the uncertain ones, is part of becoming who you're meant to be.

Debate Club

ASSALAMUALAIKUM

In the name of Allah, the most gracious and most merciful. May peace and blessings be upon the last prophet Muhammad (PBUH).

Congratulations, congratulations and congratulations for reaching the great day of celebrating the graduation.

The graduands took a bold decision to study Islamic theology some years ago and now they are qualified sheikhs and sheikhats. As debate club, we are happy for such a milestone.

Throughout the years of studying the Islamic theology, the debate club trained all the sheikhs and sheikhats graduating today to speak fluent English and Arabic language, have confidence, discipline and always be presentable. Am so optimistic that, the sheikhs and sheikhats will fit in the society and serve the nation and the world.

I extend my heart felt appreciation to the administration of Bilal Islamic institute headed by SHEIKH SUFIAN KHALID MUGULUMA for the financial, physical and spiritual support. I thank all the parents, guardians, teachers, graduands and the student's fraternity for all the sacrifices made to achieve this success. Bravo.

Congratulations.

Message from the: **School Students' Imam** **Islamising Success**

In the name of Allah, the most Gracious the Most merciful, He who begets not and nor was He begotten. May He shower His blessings upon the last apostle, the Islamic ion, the beloved one, Prophet Muhammad (Peace Be Upon Him).

Today, success is a word we all often hear about, but what does it really mean? For some, it is about winning medals, merits and other various accomplishments. But the true Islamic-modern meaning of success is the happiness and pride you feel after reaching the target. Success is all about becoming the best version of yourself, being open to adventure and exploration. This makes success possible for everyone.

Below are the tips on how to achieve the unachievable success;

1. Set clear goals:
Always define what you want to achieve, whether its academic targets or personal growth.
2. Work hard and preserve:
Success never comes without effort. Stay constituent even in times where you face obstacles.

3. Manage your time:
Create timetables and follow structured routines for study and rest. And you should unlearn, successful and unsuccessful is time management.
4. Learnt from failure:
Understand that mistakes are part of the process. Create achievers use failures as stepping stones to improvement.
5. Stay positive and motivated:
Encourage yourself and others. Motivation is the key to keeping up the momentum.
"You have not failed multiple times but you have used multiple ineffective methods of achieving." Tell to yourself.
So dearest ones,
➤ Success is the sum of small efforts repeated day in and day out.
➤ Don't watch the clock, do what it does, keep going.

Hussein Ramadhan Mutyaba,
Chief Imam S.6 sciences 2025.
